**DECISION ON PETITION**

This is a decision on the petition under 37 CFR § 1.137(b), filed July 11, 2002, to revive the above-identified application.

The petition is **granted**.

This application became abandoned for failure to respond in an appropriate and timely manner to the "Notice to File Corrected Application Papers" (the "Notice") mailed July 14, 2001, which set forth a two (2) month period for reply, beginning from its mailing date. No extensions of time under 37 CFR § 1.136(a) were obtained within the allowable period. Accordingly, this application became abandoned on August 15, 2001. The instant petition was filed before a Notice of Abandonment could be sent.

Petitioner responded appropriately to the Notice by filing, on July 11, 2002, the substitute drawings, substitute specification, and substitute abstract as required by the Notice.

The application is being forward to the Office of Initial Patent Examination for further processing.

Telephone inquiries concerning this matter may be directed to the undersigned at (703) 305-0010.
